

Christ Church School Advisory Board Needs Church Members!

The Advisory Board is the “school board” that is responsible for strategic decisions for Christ Church School and consults with school leadership on program enhancements and changes.

CHRIST CHURCH ADVISORY BOARD MISSION STATEMENT:

The Mission of the Advisory Board is to assist Christ Church School as it pertains to operations, budget, policy and personnel. We will act in the capacity to support the Head of School and staff in their continued effort to provide a nurturing Christian environment for our children. We will make every effort possible to maintain a program that will be able to support itself financially, while maintaining a highly reputable Christian based, state licensed program. We will assist the school in further development as an outreach program of the church and continue to bring families into the school in an effort to show them Christ Church United Methodist’s mission of “Becoming living proof of God’s love one person at a time”.
